

December 2007

### Microsoft Special Offer for College Students

Microsoft is offering a great deal if you have a college student in your home. College students can buy Office Ultimate 2007 — the one with all the fixing's — for the incredible low price of \$59.95 for a limited time. What does it take to grab Office Ultimate 2007 for just \$59.95?

You must hold a valid email address at a U. S. educational institution and have an email address provided by the university ending in .edu (for example [customer@unitedstates.university.edu](mailto:customer@unitedstates.university.edu).)

Be actively enrolled with at least 0.5 course credits.

Also, you must be able to provide proof of enrollment status (ie student ID card) upon request by Microsoft. If you are unable to provide proof on enrollment if requested, you will be required to pay the full retail price of Office Ultimate 2007 with is approximately \$679.00

*Office Ultimate 2007 includes the following software*

Access	Outlook
Accounting Express	PowerPoint
Excel	Publisher
InfoPath	Word
OneNote	Groove

Please use one of the following links to check out this special offer. We will also put these links on our [Hemc Broadband](#) website

### Internet Safety Tips for Children Provided by the [FBI](#)

There are some very important things that you need to keep in mind when you're child is on the computer at home or at school.

First, remind them to never give out personal information such as their name, home address, school name, or telephone number in a chat room or on bulletin boards. Also, remind them to never send a picture of themselves to someone they chat with on the computer without their parent's permission.

Express the dangers of meeting someone or having them visit your child without your permission.

Remember that people online may not be who they say they are. Someone who says that "she" is a "12-year-old girl" could really be an older man.

Please use the following link to look at another website with games and information about safety. This site is offered by the National Center for Missing & Exploited Children and Boys and Girls Clubs of America. We will also put this link on our [Hemc Broadband](#) website.
